

RESOLUTION

ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE CENTRAL OAHU SUSTAINABLE COMMUNITIES PLAN AREA

WHEREAS, the Public Infrastructure Map for the Central Oahu Sustainable Communities Plan area has been adopted under Resolution 2003-63, CD1; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu 1990, as amended, requires a major public facility, including an ambulance facility, to be shown on the appropriate public infrastructure map for a development plan area before the City Council may appropriate land acquisition or construction funds for the facility; and

WHEREAS, the City Council finds that the placement of a government building symbol on the Central Oahu Public Infrastructure Map is necessary to fund the construction of the planned ambulance facility; and

WHEREAS, the Department of Design and Construction on behalf of the Honolulu Emergency Services Department has requested a Public Infrastructure Map revision that would add a government building symbol for the Central Oahu Ambulance Facility as shown on Exhibit A, and identified as Tax Map Key: 9-4-122:103, which would ensure that the Emergency Medical Services Division would have a permanent facility to operate from within the Waipio Gentry community to serve and assist residents and visitors of the Central Oahu region.

WHEREAS, the government building facility, shown on Exhibit A, is consistent with the adopted General Plan and Central Oahu Sustainable Communities Plan; now,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the Central Oahu Sustainable Communities Plan area be revised to include a symbol for a government building for an ambulance facility as shown on Exhibit A; and

BE IT FURTHER RESOLVED by the Council of the City and County of Honolulu that the government building symbol shall be deleted from the Public Infrastructure Map by administrative procedure once completion of the facility has been certified in writing by the applicant/agency to the Department of Planning and Permitting and the City Council; and
